MISCELLANEOUS.

OFFICE OF THE FOOD CONTROLLER AND DIRECTOR OF CIVIL SUPPLIES IN MYSORE.

REVIEW FOR APRIL 1920.

Dated 13th May 1920.

Imports.—The principal event of the month was the removal by the Government of India of all inter-provincial restrictions over the movements of rice, except with reference to the North-West Frontier Province and Baluchistan with effect from the 1st of April 1920. Wide publicity was given to the fact that merchants could import rice freely from the Madras Presidency as well as from other parts of India and this has been availed of to a certain extent. In addition to imports of Madras rice without control, 1,248 tons were imported during the month under control, towards previous arrears bringing up the total of Madras rice imported under control to 9,808 tons.

2. *Burma rice.*—No allotment of rice from Burma was sanctioned for the month. The Deputy Foodstuffs Commissioner intimated that the Burma rice required for the State for April may be drawn from the surplus stocks available in Calcutta and Bombay. This permission could not however be availed of as the cost would have been prohibitive.

The balance out of February allotment that had yet to come in and the whole of the 4,000 tons of the March allotment were received during the month. The total quantity of Burma rice imported into the State from the beginning comes to 44,746 tons costing Rs. 69,22,746.

3. *Rice from Bihar and Orissa.*—The arrears of previous months due from Bihar and Orissa, *viz.*, 275 tons, were imported during the month.

4. *Rice from Central Provinces and Bengal.*—One hundred tons of rice from the Central Provinces and one hundred tons of rice from Calcutta were actually imported during the month.

The total quantity of rice imported from Bengal until the end of the month is 6,404 tons.

5. *Bengal gram.*—An allotment of 500 tons of Bengal gram from the Punjab was sanctioned by the Deputy Food Stuffs Commissioner for India. The whole of this was certificated and 260 tons were actually received during the month.

6. The restrictions on the export of Bengal gram as well as wheat from the Punjab and the United Provinces have been cancelled with effect from the 1st May 1920. All food stuffs can therefore be freely imported into Mysore without priority certificates from any part of British India, except the North-West Frontier Province and Baluchistan.

7. *Imports by road.*—According to returns received from the frontier Ookads were as follows:—

	Tons
Rice (unhusked)	276
Rice (husked)	45·8
Ragi	11·23
Jola	22·6
Horse gram	13·8

8. *Arrangements with Madras and Coorg.*—As food stuffs from the Madras Presidency can be imported freely into the State, the arrangements that existed hitherto for interchange of traffic between Madras and Mysore no longer continue. But the export of 611 tons of ragi, rice and horse gram, to the Nilgiris, Malabar-Wynaad and to Hosur in the Salem District during the month of April has been specially sanctioned by the Government. Similarly the export of 20 tons of ragi and 10 tons of horse gram per week to Coorg has been sanctioned.

9. The actual *Exports by road.*—were as follows:—

	Tons
Rice (unhusked)	70·112
Rice (husked)	329·62
Ragi	164·85
Jola	35·04
Horse gram	133·83

The bulk of the exports was to the Nilgiris, Malabar-Wynaad, Coorg and the Hosur Taluk.

	Pallas
Rice (Burma)	13,670·38
Broken rice	6,32·28
Ragi	36·75
Jola	0·84

The total stocks of rice and broken rice available were thus:—
40,795·06 pallas and 2,420·19 pallas respectively.

11. *Issues.*—The issues of old delta rice in stock in the Provincial Grain Depot in small quantities for *bona fide* domestic consumption continued during the month. The stock is now almost exhausted. Small quantities of Burma rice not exceeding two bags per individual for *bona fide* domestic use are also being issued. The issues from the Provincial Grain Depot during the month were as follows:—

	To the Depots (Chiefly Bangalore City Municipal Depot)	Direct to the public	To Co-operative Societies

Bangalore and Mysore Cities.—The quantities of rice supplied to the public through the Municipal Depots in the Cities of Bangalore and Mysore out of Government stocks were as follows :—

	Bangalore.	*Mysore.*
	Pallas	Pallas
Burma whole rice ...	2802·80	129·49
Broken rice ...	...	310·42
Delta rice ...	74·02	119·25

Supplies to the Civil and Military Station.—During the month 30 tons of C3 broken rice were supplied from the Provincial Grain Depot, Bangalore, to merchants recommended by the Collector, Civil and Military Station.

Prices.—The removal of inter-provincial restrictions in British India has resulted in a slight fall in prices in the Madras Presidency, and this has had some effect on prices in Mysore. There has been a slight fall in the price of rice and ragi in most parts of the State during the month of April. Ragi is quoted at Rs. 72 to Rs. 78 per cart load of 640 seers in Bangalore City, but it is sold at about 10 seers a rupee in the markets of Shimoga, Chitaldrug, Dávangere, Heggaddevankote and Gundlupet. Rice is sold at 5 to 7 seers a rupee in Shimoga and Kadur Districts. Since the beginning of May there has been a slight rise in prices owing apparently to the holding off of rains.

Food Controller and Director of Civil Supplies in Mysore.
